TRINITY CELEBRATION

An Organization Formed on Sunday at Marquerville.

Nearly one thousand Portuguese went out to Marquesville, Punahou, yesterday (Sunday) to celebrate the feast of Trinity. The Beretania street cars were crowded all the forenoon. Among those who attended the feast, were Mons. Vizzavona, acting French Commissioner, and several prominent Portuguese. Twelve children of both sexes were selected as disciples, and there being an abundance of food, it was lavishly given to the poor Portuguese by the disciples. A season of joviality followed the picuic, dancing being on the program, and many stayed till 10 o'clock in the evening.

The BULLETIN reported some few weeks ago about a man going about the streets with a red flag, who was taken for an anarchist. It transpires that he was soliciting subscriptions for the feast, which was mainly for the benefit of poor Portuguese.

An organization was formed yesterday, in which 130 members-60 women and 70 men-were initiated. The object of the organization is to provide funds for a pienic to be given every Trinity Sunday, solely for the poor. The organization has also to provide sustenance for a certain number for a week.
